

Proposed Amendment change for District Meetings

Existing Law:

15.1-(c) The District Meeting shall be opened and closed according to the ritualistic form for opening and closing District Meetings as found in the Standard Authorized Ritual.

Proposed change:

15.1-(c) The District Meeting **may** be opened and closed according to the ritualistic form for opening and closing District Meetings as found in the Standard Authorized Ritual. **Changes to the format of the District Meeting must be approved by the Most Worthy Grand Matron.**

Interpretive Statement:

Attendance by members of the districts at District Meetings has been declining. This change will allow a Worthy District Deputy to try something new which may lead to more socialization and bring more people out. The Most Worthy Grand Matron must approve any new format. This will also allow for traditional District Meeting.
