

What will I be?

We are excited about a metamorphic change for Life Skills Grants. Your family members (spouse, daughter/son, grandson/granddaughter, niece or nephew, sister or brother) are now invited to apply. The grant is available for a minimum of two years, who are in financial need and who desire to attend and/or return to school and /or trade school. The assistance is to help the member or his/her family member to get back into the job market or to change job skills. It is not for advanced college degrees. A maximum of two grants up to \$1,500.00 each is available to each applicant.

This grant is available at any time during the year. For information , or application please contact;
